

Minutes: Meeting of IFAC TC1.2 on Adaptive and Learning Systems

Antalya, Turkey, Thursday Aug.26, 2010 at 12:30-14:00 pm during the lunch-time

Agenda:

1. IFAC 2011: preparations and invited sessions organizing.
2. Proposals for ALCOSP2013/PSYCO2013 venue.
3. Proposals for the next TC Chair and Vice-Chairs.
4. Other business.

TC Chair Alexander Fradkov chaired the meeting.

1. IFAC 2011: preparations and invited sessions organizing.

Fradkov reported on the TC involvement: Fradkov to act as Editor and Alexander Pogromsky and Denis Efimov as AEs. Several invited session proposals are in preparation:

- Robust and adaptive control of complex systems (D.Peaucelle, A.Fradkov)
- Simple adaptive control (I.Barkana)
- Adaptive control by intelligent agents (S.Veress)
- Adaptive control of induction motors (F.Giri)
- LPV adaptive control (L.Keviczky)
- COZY project (M.Polycarpou)

Prof. Bittanti made a proposal concerning Invited Session on 'Robust and adaptive control of complex systems' to contact TC 2.5 on Robust Control since the area is related to both TCs.

Action: Fradkov to contact TC 2.5 via Dimitri Peaucelle who is TC 2.5 member.

2. Proposals for ALCOSP2013/PSYCO2013 venue.

A proposal was presented by Prof. Fouad Giri to have ALCOSP2013/PSYCO2013 in France, probably in Caen (University of Caen Basse-Normandie) or in Paris (LSS SUPELEC). It was decided to take the final decision at the next TC meeting during Milano Congress in 2011.

3. Proposals for the next TC Chair and Vice-Chairs.

Fradkov reported that no proposals for TC chair 2011-2014 have been submitted. Then Prof. Keviczky asked if Fradkov agrees to continue for the second term. Fradkov responded that he would agree if no other proposals appear. No objections were received.

4. Other business.

Fradkov announced that the next TC Meeting will take place in connection with the IFAC Congress in Milano in 2011.
