

IFAC TC 9-5 Meeting in Baku

Location: *Absheron Room*

Hotel Boulevard, Baku

Time: *Friday, September 14, 2018, 4.45 -5.30pm*

Agenda:

1. Open and welcome
P. Kopacek welcomed the 35 participants
2. Review proposed agenda and minutes of last meeting.
The minutes of the last TC meeting in Toulouse were approved
3. Technical Committee, CC and Technical Board Updates, including summary of new members to TC 9-5.

P. Kopacek reported from the Council and related meetings in Florianopolis (Brazil), September 1 -3, 2018:
As a proxy for Larry Stapleton, P. Kopacek presented the IFAC CC 9 report at the TB meeting.

Some other info probably of interest for our TC:

Each TC should upload at least one "Blog" /year at the IFAC hp. Action John Organ, suggestions are welcome.
Currently no application for a TC 9.5 award.

Larry proposed such an award in each triennium which should be awarded on a TC 9.5 event.

One TECIS paper was the mostly downloaded in "Papers on-line" in 2017.

Affiliated members: Join, 10% reduced participation fee

IFAC "Papers on-line" have now an impact factor. Currently only 0,68 because it's "new" and will be increasing in the nearest future.

Affiliate IFAC members were also discussed. If you are interested pls. contact the IFAC Secretariat.

TC 9.5

We have currently more than 100 members. I invite you to join our TC. Interested - pls. contact me.

Our hp will be updated in the next time.

4. Review of TC 9-5 Working Group Activities and updates.
Ethics in control Engineering (M. Hersh).
Organizing some events, Publications
Automation in End of Life Management (B.Kopacek)
4 papers at TECIS 2018
Cost Oriented Automation – COA, (P.Kopacek)
Invited session with 6 papers at TECIS 2018
Non Technological Aspects of Automation (B. Lewoc)
Some articles in journals
Young Researchers in Technology and International Stability (Amy Stapleton)
Invited session with 6 papers at TECIS 2018

5. Review of TECIS 2018.

206 contributions received

553 reviewings received – thanks to all reviewers

170 accepted

157 scheduled

170 participants

This event was a milestone in the 35th history of SWIIS/TECIS because of the number of contributions and participants as well as the tremendous publicity and organization.

6. TECIS upcoming events:

TECIS 2019 will take place in Sozopol (Bulgaria), September 26-28, 2019.

Andon Topalov presented this event.

7. TC 9.5 promoted events for 2018/19.

IFAC Workshop CSGRES (Control of Smart Grid and Renewable Energy Systems) , June 10-12, 2019, Jeju, Korea

8. World Congress 2020, July 12-17 2020, Berlin, Germany.

First Call and Webpage (<https://www.ifac2020.org>) available.

We should start to think about contributions of TC 9.5.

9. Other Business

Meanwhile according to an internal discussion we will prepare a proposal for a TC 9.5 award.

P. Kopacek remembered on the 35th anniversary of our TC SWIIS/TECIS

The next TC meeting will take place during TECIS 2019 in Sozopol (Bulgaria).

P.Kopacek closed the meeting at 5.30pm
