

Dear members of the TC 9.5 Fan Club,

Please find below the latest news related to TC 9.5.

Late but we hope not too late the minutes of our last TC meeting in Prishtina are attached .

If you know some colleagues interested to will join the TC 9.5 Fan club pls. send us the following info:

*Title Name Address City Country email phone Fax URL*

For: our next event “ IFAC World Congress” July 2023 in Yokohama (Japan), July 9 – 14. 2023 our TC is working very well. For further information, please visit <https://www.ifac2023.org/>.

If you have submitted one or more contributions and have also reviewed papers - Many thanks.

According to our information many of our members will not attend the World Congress.

Therefore our next TC Meeting will take place virtual before the Congress in June 2023. On this we have to discuss the future of our TC as well as we have to decide on TECIS 2024. Think a little bit on applications Your ideas and suggestions are always welcomed.

Meet you unfortunately only virtual in June 2023

Vienna, 20 02.2023

Peter (Kopacek) & Julia (Linert)
