

Dear members of the TC 9.5 Fan Club,

Please find below the latest news related to TC 9.5.

For: our next event TECIS 2022 in Pristina (Kosovo) October, 26-28<sup>th</sup> 2022 we received approximately 180 papers. For further information, please visit: <https://tecis2022.ubt-uni.net>.

If you have submitted one or more papers – many thanks.

But now we need a lot of reviews.

Therefore I ask you to support us by quick and high quality reviews.

Our next TC meeting will take place during TECIS 2022 In Prishtina-,  
We have to discuss the future of our TC as well as our contributions to the next IFAC  
World Congress 2023 in Yokohama.  
Your ideas and suggestions a welcomed.

Meet you in Prishtina

.
